

Office Memorandum • UNITED STATES GOVERNMENT

TO : Executive Officer, Office of Personnel

DATE: 9 November 1954

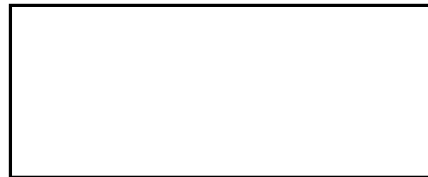

FROM : Chief, Security Division

SUBJECT: Stamping Applications by CIA to Show Security
Clearances Under Executive Order 10450.

Reference is made to your memorandum dated 1 November 1954,
subject as above.

Our understanding of the problem is that the Civil Service Commission objects to stampings or notations by the employing Agency which would or could be confused with those made by the Civil Service Commission. Under the normal procedures of Executive Order 10450 the fact that an individual has been approved under E. O. 10450 is reported to the Civil Service Commission following the approval. We do not feel, therefore, that it is necessary at this time for there to appear in a personnel file forwarded to the Commission or to another Federal agency the fact that the individual was processed under Executive Order 10450. If any acquiring Federal agency inquires about steps taken under E. O. 10450 or prior orders we will be glad to furnish the information necessary to answer the inquiry.
